DETAILED ACTION

EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Gerald McGlynn on February 28, 2007.

The application has been amended as follows:

Claim 1, line 13, after "surround said" inserted - - at least one - -

Claim 1, line 20, after "and said" inserted - - at least one - -

Claims 8 and 9-19 have been canceled.

Claims 1, 2 and 4-6 are allowed. The following is an examiner's statement of reasons for allowance: The prior art of record does not teach or suggest a method of manufacturing a trim panel assembly with at least one trim panel component wherein the at least one trim panel component has a class-A side surface visible from the interior of the vehicle that is substantially surrounded by injected thermoplastic and where the bond line between the thermoplastic and the at least one trim panel component is not visible along the class-A surface in combination with the other features instantly claimed.

The examiner regards Morrison et al. (U.S. 5,824,251) and Fujii et al. (U.S. 6,004,498) as the closest prior art. Both Morrison et al. and Fujii et al. disclose the basic claimed process but do not disclose a method where the at least one trim panel component has a class-A side surface visible from the interior of the vehicle that is substantially surrounded by injected thermoplastic and where the bond line between the thermoplastic and the at least one trim panel component is not visible along the class-A surface.

Conclusion

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Jeff Wollschlager whose telephone number is 571-272-8937. The examiner can normally be reached on Monday - Thursday 7:00 - 4:45, alternating Fridays.
